That should work. You should be able to save, sign, and send it back.

You might need to run the RemoteMapper tool in the start menu. I had the same problem this morning.

I can take care of the files. Can you close out of the cover letter on CBI? I need to change the signature block.

Looks good to me. If its okay with OECA then its ready for signature. Do you want an overblown email where I notify everybody or can you just password protect it and have Ex. 6 Personal Privacy (PP) sign cover letter/notify

Looking at this now – should not take long. You already have permission to send CBI to them via email?

Importance: High

The order with the OECA-approved changes is in the Management Review folder. **Ex. 5 Deliberative Process (DP)** gave the go-ahead. I also added the cover letter. Please take a look at the **Ex. 5 Deliberative Process (DP)** and review the cover letter. We already received a signed CBI transmittal authorization form for this case last year so I think we are good to move forward from there.
